

Curriculum Vitae

Steven TODD Wallenius, MD

EDUCATION

Jul 1998 - Jul 1999 **Rural Fellowship in Behavioral Medicine/Family Medicine**
Mountain Area Health Education Center (MAHEC) Family Medicine
Residency Program
Asheville, North Carolina
Affiliate of the University of North Carolina at Chapel Hill
Department of Family Medicine

Jul 1995 - Jul 1998 **MAHEC Family Medicine Residency Program**
Asheville, North Carolina

Aug 1991-May 1995 **Doctor of Medicine**
The University of North Carolina at Chapel Hill School of Medicine
Chapel Hill, North Carolina
Conferred 14 May 1995

Aug 1984-May 1988 **Bachelor of Science, *Cum Laude*, in Premedical Studies**

Davidson College
Davidson, North Carolina
Conferred 22 May 1988

LICENSURE The North Carolina Medical Board
License Number 96-01172
Conferred 23 July 1996
Active Status

CERTIFICATION **Diplomat, American Board of Family Medicine**
Certificate Number 1018773949
Certification Status: Certified
Certification History: Jul 10, 1998 - Jul 29, 2005; Jul 30, 2005 -
Apr 13, 2015; Apr 14, 2015 - Present

Diplomat, American Board of Addiction Medicine

Certificate Number 002469

Certification Status: Certified

Certification History: May 02, 2009 - Dec 15, 2028

American Academy of HIV Medicine HIV Specialist

Certificate Number NC1205010

Certification Status: Certified

Certification History: Jan 01, 2004 - Dec 31, 2020

Drug Enforcement Administration

Registration Number and Data 2000 Waiver Active

Registration History: 14 Aug 1996 - 31 May 2020

HONORS/AWARDS

- Jun 2014 **Outstanding Provider Award**, NC Community Health Center Association
- May 1995 **The James Bell Bullitt Award**, UNC Chapel Hill School of Medicine
- May 1995 **Family Medicine Student Award**, UNC Chapel Hill School of Medicine
- Apr 1995 **Eugene S. Mayer Community Service Honor Society Inductee**, UNC Chapel Hill School of Medicine
- Fall 1993 **Community Service Commendation**, UNC Chapel Hill School of Medicine
- May 1987 **Omicron Delta Kappa**, Davidson College
- Fall 1985 **North Carolina Fellow Leadership Program**, Davidson College

EMPLOYMENT

- Jan 2012 - Present **Medical Director**
Western North Carolina Community Health Services, Inc.
Asheville, North Carolina
Organize, supervise and manage all medical, nursing, laboratory, pharmacy, care coordination/management, quality improvement, employee health, infection control and other clinical service delivery systems at Western NC Community Health Services, Buncombe County's largest Community Health Center and primary safety net provider serving over 15,000 unduplicated safety net patients annually. Track, monitor and adjust systems performance to ensure federal, state and local grant goals are achieved and renewed, including Bureau of Primary Care and HRSA/HAB Ryan White Parts B, C, and D grants. Work closely with senior management to schedule and convene Management Team meetings on a monthly basis. Provide consultation to board members at monthly meetings. Collaborate with Buncombe County Management and other safety net providers in Buncombe and surrounding counties, including neighboring Federally Qualified Health Centers. Develop and provide oversight to innovative and special programs including WNCCHS' Advance Practice Clinician Residency Program in Safety Net Medicine, Transgender Health Program serving over 350 patients from eighteen western NC counties, HIV program serving over 780 patients from eighteen western NC

counties, PrEP (Pre-Exposure Prophylaxis) and nPEP (non-occupational Post Exposure Prophylaxis) program for patients at risk of exposure to HIV, Anal Dysplasia Screening in people living with HIV, Medication Assisted Therapy Office Based Opioid Treatment, and most recently overseeing implementation of a HRSA special project to provide Trauma Informed Care to HIV positive patients. Conduct Peer Review monthly and oversee Quality Management Program. Write and maintain clinical protocols for all clinical programs at WNCCHS.

- Jan 2004 - Jan 2012 **Director of Behavioral Health Services**
Western North Carolina Community Health Services, Inc.
Asheville, North Carolina
Supervise Staff and Consulting Psychiatrists and Psychiatric Nurse Practitioners, Clinical Therapists, Nursing, and Support Staff on the Behavioral Health Team. Coordinate and promote the delivery of integrated collaborative biopsychosocial family and whole person health care to many of the most severely mentally ill patients in WNCCHS' service area. Provide Crisis Walk In services to residents of Buncombe County experiencing a mental health crisis.
- Jul 1998 - Present **Family Physician and HIV Specialist**
Western North Carolina Community Health Services, Inc.
Asheville, North Carolina
Provide outpatient care to adults, children, and families in a community health center setting, with a focus on family medicine and family therapy for people infected and affected by HIV/AIDS. Also provide outpatient medical care to adults, children, and families who otherwise might not have access to care in a medically underserved area.

TEACHING

- Oct 2014 - Present **Medical Director and Co-Founder**
Advanced Practice Clinician Residency in Safety Net Medicine
Western NC Community Health Services, Inc.
First APC Residency in the nation to focus on Safety Net Primary Care. Provide clinical and professional mentoring to three APCs, including Advance Practice Nurses and Physicians Assistants, engaged in a one year transition to practice residency program. Achieved accreditation through the National Nurse Practitioner Residency and Fellowship Training Consortium July 14, 2017 – July 13, 2020
- Jul 2012 - Present **Adjunct Instructor**
UNC School of Medicine
Department of Family Medicine
- Jul 1998 - Present **Community Faculty**
MAHEC Family Medicine Residency Program
Host and teach MAHEC Family Medicine Residents in Family Medicine, Behavioral Medicine, and HIV medicine during all three years of their residency;
Co-facilitate support groups for all three classes of MAHEC Family Medicine Residents;
Co-facilitate human sexuality seminar for third year MAHEC family Medicine Residents.

- Jul 1998 - Present **Community Family Medicine Preceptor**
UNC-CH School of Medicine, Wake Forest School of Medicine, Duke University School of Medicine, Duke University Physician Assistant Program, and East Carolina University School of Medicine
Host and teach First and Second year Medical Students in three one-week longitudinal clinical care experiences
- Jan - Dec 1998 **Pilot-Instructor, Our Whole Lives (OWL) Sexuality Curricula for Junior High School Students, High School Students, & Adults**
Unitarian Universalist Association, Curriculum Office
Boston, Massachusetts
- Nov 1994-Mar 1995 **Lecture Participant, Intro to Medicine Course & Transition Course**
The University of North Carolina at Chapel Hill School of Medicine
Chapel Hill, North Carolina
Presenter and panel participant in Introduction to Medicine lectures on Stress in Medical School and Introduction to the Physical Exam for First Year medical students. Co-Facilitated with faculty a week long Transition Course for rising third year medical students to prepare them for the transition from preclinical courses to clinical clerkships with a focus on Diversity Training, Communication, Professionalism, Self-Analysis and Self-Care.
- Jul 1992 - Jun 1993 **Co-Coordinator, Students Teaching Early Prevention (STEP) on AIDS**
The University of North Carolina at Chapel Hill School of Medicine
Chapel Hill, North Carolina

RESEARCH

- Dec 1992 - Jan 1993 Research Assistant, PI: Sharon Van Horn, MD, MPH
Department of Community Pediatrics and Center for Health Promotion
And Disease Prevention
The University of North Carolina at Chapel Hill School of Medicine
Chapel Hill, North Carolina
Collected data on alcohol-related student illness and injury and after-hours utilization of the University's Student Health Services
- Jul 1990 - Aug 1991 Research Assistant, PI: Raymond Ideker, MD, PhD, and William M. Smith, PhD
Departments of Medicine and Pathology
Duke University Medical Center
Durham, North Carolina
Assisted with large animal studies to develop an implantable cardiac defibrillator
- Jun 1989 - Jul 1990 Research Assistant, PI: Jonathan D. Klein, MD, MPH
The Cecil G. Sheps Center for Health Services Research, the Center for

Early Adolescence, and the Center for Health Promotion and
Disease Prevention

The University of North Carolina at Chapel Hill

Chapel Hill, North Carolina

Volunteered seven hours per week to assist with the development of a national census of programs that lead to the publication of the Comprehensive Adolescent Health Services in the United States, 1990

Jun 1989 - Jul 1990 Research Technician, PI: Dana M. Fowlkes, MD, PhD
Department of Pathology
The University of North Carolina at Chapel Hill School of Medicine
Chapel Hill, North Carolina
Utilized molecular biology techniques including DNA sequencing and PCR, to assist researchers in evaluating the Effects of site-specific mutations on biologic activities of recombinant human Interleukin-6

Sep 1986 - May 1988 Research Assistant, PI: Julio Ramirez, PhD
Department of Psychology, Neuropsychology Laboratory
Davidson College
Davidson, North Carolina
Conducted rat studies to evaluate the functional significance of lesion-induced sprouting in the dentate gyrus of the hippocampal formation.

SPECIAL PROJECTS

Jun 2018 - Present **Trauma Informed Care in HIV Primary Care**
Western NC Community Health Services, Inc.
Received a \$450,000 Evidence Informed Interventions (E2i) Grant from US DHHS Health Resources Services Administration, working in collaboration with Fenway Health, Boston, MA and University of California San Francisco to implement Cognitive Processing Therapy for people living with HIV to improve retention in care and clinical outcomes for people living with HIV.

Dec 2017 - Present **Medication Assisted Therapy, Office Based Opioid Treatment**
Western NC Community Health Services, Inc.
Developed a program to provide safety net patients, more than 50% of whom are uninsured, access to buprenorphine/naloxone treatment and integrated behavioral health services for the treatment of opioid dependence regardless of ability to pay.

Jul 2017 - Present **Anal Dysplasia Screening, High Resolution Anoscopy and Infrared Coagulation Treatment for People Living with HIV**
Western NC Community Health Services, Inc.
Collaborated with Duke University School of Nursing and Regional Surgical Associates to develop and implement an in-clinic program to screen people living with HIV for anal dysplasia, to evaluate and treat non-surgical abnormalities within the safety net setting regardless of patients' ability to pay, and to refer to Regional Surgical Associate Colin

Bird, MD patients with advanced anal squamous cell carcinoma.

- Apr 2015 - Present **Western NC Colorectal Cancer Screening Initiative (WNC-CRCSI)**
Collaboration between WNCCHS, American Cancer Society, Western Carolina Medical Society, and Asheville Digestive Group to provide access to colonoscopy for colorectal cancer screening following a positive Fecal Immunohistochemical Test (FIT) regardless of ability to pay.
- Oct 2015 - Present **Community Non-Occupational Post-Exposure Prophylaxis Protocol**
Collaboration between WNCCHS, Buncombe County Department of Health, Mission Emergency Department, and Community Stakeholders to develop a community-wide response to our community's need to provide timely access to antiretroviral therapy to community members who experienced a high risk non-occupational exposure to HIV regardless of ability to pay.
- Oct 2014 - Present **WNCCHS Advanced Practice Clinician Residency in Safety Net Medicine**
WNCCHS' APC Residency in Safety Net Medicine is the first accredited APC Residency Program the nation to focus on Safety Net Primary Care. Achieved accreditation through the National Nurse Practitioner Residency and Fellowship Training Consortium July 14, 2017 – July 13, 2020. Since 2014, provide clinical, academic and professional mentoring to three Advance Practice Clinicians per year, both Advance Practice Nurses and Physician Assistants, in a one-year program to support transition to practice in a safety net setting.
- Jan 2007 - Present **WNCCHS Transgender Health Program**
Western NC Community Health Services provides gender affirming care to over 350 transgender adolescents and adult in eighteen western North Carolina counties regardless of ability to pay.
- Nov 1996-Mar 1997 **Evaluation of Dean's Letters and Transcripts of Applicants to MAHEC Family Medicine Residency Program**
MAHEC Family Medicine Residency Program
Selected to review and rate Dean's Letters and Transcripts of all applicants to MAHEC FMRP for 1996-7 and 1997-8 academic years.
- Aug 1992-May 1995 **Community Health Project: Sexuality Minority Youth—Building Bridges of Respect**
Department of Community Pediatrics
The University of North Carolina at Chapel Hill School of Medicine
Chapel Hill, North Carolina
Independently initiated project developed for the opportunity to work directly with a community of traditionally isolated youth, serve on a community board, and educate health care providers/providers-in-training on issues and obstacles that Sexual Minority Youth confront in daily life. Mentored by John Frey, MD and Don Kollisch, MD, UNC School of Medicine, Department of Family Medicine, and Robert Coles, MD, Harvard Medical School.

- Nov - Dec 1994 **Community Medical Education Course Committee, Member**
Office of Academic Affairs and Office of Community Medical Education
The University of North Carolina at Chapel Hill School of Medicine
Chapel Hill, North Carolina
One of four medical students selected by the Office of Academic Affairs and Office of Community Medical Education to develop inclusion of a new course in the first two years of the medical school curriculum that would introduce students to patient care activities in community settings.
- Jun 1994 - May 1995 **Class Advocate Program, Coordinator, and Medical Student Peer Advocate, Co-Chair**
Office of Student Affairs
The University of North Carolina at Chapel Hill School of Medicine
Chapel Hill, North Carolina
Selected by the Office of Student Affairs and classmates to serve as a liaison between medical school classmates and the Office of Student Affairs. Received special training from the Office of Student Affairs to make referrals to the school's resources for personal academic, and professional issues.
- Oct 1994 - May 1995 **Domestic Violence Advocacy Team**
Department of Emergency Medicine
The University of North Carolina at Chapel Hill School of Medicine
Chapel Hill, North Carolina
Provided support, information and referrals to victims of domestic violence identified in the Emergency Room
- Jun - Jul 1992 **Medical Education Community Orientation Project**
Department of Family Medicine
The University of North Carolina at Chapel Hill School of Medicine
Chapel Hill, North Carolina
One of twenty-two rising second year medical students selected to complete an elective preceptorship experience with a San Francisco physician practicing Family and HIV Medicine in an underserved community. Collected economic, demographic, and other health-related information about the surrounding community. Supported by the UNC Department of Family Medicine and Office of Community Medical Education to promote interaction with populations typically underserved by Family Medicine.
- Sep 1987 - May 1988 **Senior Research Project: The Etiology and Ethics of HIV/AIDS**
Davidson College
Davidson, North Carolina
Surveyed Davidson College students' HIV/AIDS awareness and attitudes; reported results to college administrators with recommendations for the development of a college AIDS policy.

PROFESSIONAL SOCIETY MEMBERSHIPS

- 1993-Present American Academy of Family Physicians
- 1993-Present North Carolina Academy of Family Physicians
- 2008-Present American Society of Addiction Medicine
- 2008-Present Western Carolina Medical Society
- 2002-2007 American Academy of HIV Medicine
- 2001-2002 Collaborative Family Healthcare Association
- 1996-2002 Buncombe County Medical Society
- 1993-1995 American Medical Student Association, served as Child and Adolescent Health Task Force Liaison to the Society for Adolescent Medicine

PROFESSIONAL APPOINTMENTS

- 2015-Present National Nurse Practitioner Residency and Fellowship Training Consortium, Inc. Board Member
 - § Advise the nonprofit and keep it focused on mission-based activities;
 - § Recruit, select and support the Executive Director/CEO;
 - § Regularly attend the Board meetings;
 - § Support and participate in committee work;
 - § Provide fiduciary oversight, including of fiscal matters;
 - § Serve as advocates in the community.
- 2012-Present Western Carolina Medical Society Foundation Board (Chair 2017)
- 2015-2018 NC Community Health Center Association Board, Clinician At Large Member
- 2015-2017 NC Institute of Medicine Task Force on Health Care Analytics
- 2010-2012 Youth Outright Advisory Board
- 2010-2012 Integrated Care Collaborative
- 2008-2010 Buncombe County Medical Society Foundation Board
- 2007-2010 Western NC AIDS Project Advisory Committee
- 1998 Mission Hospital System Institutional Bioethics Committee
- 1995 University of North Carolina at Chapel Hill School of Medicine Community Medical Education Course Committee

HOSPITAL AFFILIATION

- 1995-Present Mission Hospitals
Asheville, North Carolina
Credentialed: 01 Jul 1995 - 30 Nov 2019

PROFESSIONAL SERVICE

- 1998 Physician Volunteer, ABCCM Medical Clinic, Asheville, North Carolina
- 1995 Medical Student Volunteer, Student Health Action Committee (SHAC) Clinic
Carrboro, North Carolina
