

Murphy serves as Associate Director of Education for NIMAA. Elizabeth's field experience includes ten years as a certified medical assistant in Pulmonology and Adult Medicine. She has 21 years of experience in the field of post-secondary vocational training. She played a key role in the migration of all curriculum to an online platform and transforming a fully residential program to one that utilized a blended learning delivery model. Elizabeth earned her Associate's Degree in Medical Assisting from Springfield Technical Community College and a Master's Degree in Health Care Management from Cambridge College.
